STRAWBERRY MOJITO

FOR THE SODA MAKER CLASSIC

INGREDIENTS

- 5 strawberries
- 2 sprigs of mint
- 2 tsp. brown sugar
- 1 lime
- 50 ml white rum
- 20 ml strawberry syrup

PREPARATION

Fill the Sodamaker Classic with cold water. Screw on 1 iSi soda charger and shake vigorously. To ensure the water is fizzy refrigerate for 1-2 hours.

Remove the ends of the lime and divide into eighths. Place the lime wedges in a glass with the brown sugar, strawberry syrup, fresh strawberries and mint and crush with a pestle.

Fill the glass with ice, add the rum and stir. Top up with soda water from the Sodamaker Classic and enjoy.

Enjoy Cooking!
