

APEROL SPRITZ

FOR THE SODA MAKER CLASSIC

INGREDIENTS

- 1 Orange
- 80 ml Prosecco
- 80 ml Aperol
- 40 ml Tonic Water

PREPARATION

Fill the Sodamaker Classic with cold water.
Screw on 1 iSi soda charger and shake vigorously.
To ensure the water is really fizzy refrigerate for 1–2 hours.
Pour the Prosecco into a large wine glass and add the Aperol and tonic water. Top up with soda water from the Sodamaker Classic and garnish with orange slices.
