

NITRO ESPRESSO MARTINI

for the iSi Nitro 1l

INGREDIENTS

- 600 ml** Cold Brew Coffee
- 60 ml** Kahlua coffee liqueur
- 120 ml** Vodka
- 30 ml** vanilla syrup

PREPARATION

Pour all ingredients through Kisag funnel & sieve into the Nitro. Screw on an iSi Nitro capsule, shake 8 times.

Place the spout on the glass wall at a slight angle, press the lever fully. Ready and now enjoy.

→ **TIP:** For a particularly intense taste experience, use a second iSi Nitro Charger.
